

Eldy in the Digital Agenda of Lombardia Region conference

Eldy took part at the plenary session "The Digital Agenda of Regione Lombardia: opportunities for citizens?" in Cremona the 24th of April.

The important Pilot ELDY TV has been presented by Anna Bianco, president of Eldy, after the introduction of Regione Lombardia (Carlo Maccari, Regional Councillor for Simplification and Digitalization) and the partner AEMCOM Cremona spa.

ELDY TV is an innovative way to provide easy to use public service through television, remote control and ultrabroadband.

The Conference hosted 200 Mayor, Public Administrations executive, local municipalities and private sector.
