What is Eldy

Eldy the NGO

Eldy helps older people to use computersÂ and enjoy the internet revolution. EldyÂ is a software developed by Eldy NGO,Â a non-profit organization, freely availableÂ from this web site.

Eldy the software

Eldy can be set up in **PC** (Windows, LinuxÂ and Mac), **TABLET**, **TELEVISION** making use of technological common devices andÂ the internet easier. Eldy provides e-mailÂ account, a web browser, a chat service,Â a text editor, pictures management,Â weather forecast and videoconference.

Eldy the simplicity

Eldy is simple and clear, with nice bigÂ buttons, easy to read and to use. TheÂ interface is pleasant and intuitive.Â Striking contrasts and simplifiedÂ navigation helps the starter to learnÂ Eldy in few hours.

Eldy the community

Eldy is a social network too. In Eldy youÂ can find a community of senior people,Â volunteers and friends, always ready toÂ help you, to give you support and toÂ communicate. Eldy is much more thanÂ a software, itâ€™s a way of life! Eldy has now 400.000 users.
