

Eldy at Value Ageing project

For the next three months two senior researcher by ELDY will be disseminating ELDY in two European Universities, as representatives of the Marie Curie Research project "VALUE AGEING"

Emma Dora Loeffelstiel, is at VUB University, [Vrije Universiteit Brussel] Brussels, disseminating Eldy in Flemish and working on a research focused on Seniors, Dignity and technology

Anna Bianco is at QUB university, [Queens University of Belfast] working hard on project GANTT and work packages

Anna and Emma are preparing an article to share their experience.
If you ever come to Brussels or Belfast, pay a visit to Anna & Emma.
